

## Production Engineer

**Finisar Australia / Coherent is an innovative global company that designs and manufactures high-technology communication products for optical fibre telecommunication networks. We are the largest supplier of optical communication components and subsystems in the world.**

**Here at Finisar Australia, we have created a philosophy that thrives on well-supported R&D, continuous improvement, teamwork and partnerships within and beyond the organisation. We set high expectations and exceed them.**

The Production team's role is to contribute to the manufacturing team in the assembly of precision optical and mechanical components used to build complex modules used in communication systems.

To be successful within this role you will need to have the following requirements:

- A degree in engineering
- Knowledge of basic optical, microelectronic, or electronic manufacturing techniques including measurement techniques
- Manual dexterity with the capability to perform precision assembly, cleaning and inspection tasks
- Ability to work cooperatively in a team environment with demanding goals to meet output targets
- Computer literacy in word and excel
- Clear written and spoken communication in English

If you are a hands on individual who wants to work in our Production Team and is looking for Shift work, you should definitely look us up.

Our founders were awarded the Prime Minister's prize for innovation, so you can Google "Finisar innovation prize" to learn more, or look us up on NASDAQ (FNSR). You will wonder why you have never heard of us until now.

**Graduates are welcome to apply!**

**If this sounds like you and you are looking to work for an industry leader with a down-to-earth yet professional environment, then this is the job for you! To apply, please send you resume to [careers@finisar.com](mailto:careers@finisar.com)**

**We offer a competitive salary. Finisar Australia is a fully owned subsidiary of Coherent, a listed US company trading on NYSE under the symbol COHR.**

**The right to work in Australia is essential.**

**Finisar Australia / Coherent is an equal opportunity employer.**
